

D.A. FERGUSON MIDDLE SCHOOL

vision *(desired future)*

students will gain the knowledge and skills to be contributing citizens and the desire to develop as life-long learners.

mission *(our approach to reaching our desired future)*

engaging and empowering all learners

horizon is a learning community that **values**

continual improvement;
inclusion and respecting diversity;
fostering effective relationships;
welcoming, caring, respectful, and safe
learning environments;
collaboration; and
accountability

2024-
2027

Principal's message

Welcome to D. A. Ferguson Middle School! As we embark on another exciting year, I am thrilled to continue our journey of excellence with our wonderful students, staff, and community. This year, our school will serve approximately 310 students in grades 6 to 8, maintaining our commitment to a diverse and supportive learning environment.

One significant change for the upcoming school year is the transition of our Taber Mennonite Program, which will now be known as Horizon Christian Program. This rebranding reflects our ongoing dedication to listening to our stakeholders as well as providing a nurturing and inclusive environment for all students and families. We look forward to continuing our strong partnership with the Horizon Christian Program community and are eager to see the positive impact of this new chapter.

Our school remains dedicated to fostering meaningful relationships and connections with our students, both in and out of the classroom. We offer a wide range of extracurricular activities, including a robust athletic program, a growing fine arts program, and various clubs that cater to diverse interests. Middle school is a pivotal time for students to explore new talents and passions, and we are committed to providing them with opportunities to discover and develop these interests.

In the classroom, we continue to prioritize student engagement through dynamic instructional techniques and best practices. For the 2024-2025 school year, we are focused on further enhancing our use of technology to support learning. With a 1:1 device-to-student ratio, our teachers are equipped to integrate technology in meaningful ways that enhance student engagement and learning outcomes. We are committed to ongoing professional development in this area to ensure that our use of technology remains innovative and effective.

Communication with our families is a cornerstone of our school's success. Over the past four years, we have made significant strides in improving how we connect with parents and guardians through social media, our website, and other communication tools. We will continue to refine these strategies to ensure that families are well-informed and actively involved in their children's education.

At D. A. Ferguson Middle School, we are dedicated to cultivating a learning environment where every student can thrive. We look forward to another year of growth, discovery, and achievement together.

| <ul style="list-style-type: none"> • Local measures that indicate the percent of staff that agree <ul style="list-style-type: none"> o 100% of staff feel their opinions and suggestions are considered at work. o 100% of staff feel as though their supervisor shows appreciation for extra effort made by employees. o 79% of staff feel their workload is appropriate for the time they are assigned. o 84% of staff feel they can handle stress effectively and can bounce back from difficult situations | <ul style="list-style-type: none"> • We will be focusing on student engagement in all aspects of their school life. • We are a Leader in Me School which focuses on Stephan Covey's 7 habits of highly successful people. • We will be implementing a school wide focus on Leader in Me 7 habits of highly successful kids into our school programming. • We will be learning how to effectively leverage our 1:1 ratio for devices at school to engage learners. • continued... |

School strategic priority (based on “what we can do better”/“what we should start doing” feedback)

School Measures

- Assurance survey data 2023/2024 provided some direction on areas that we are succeeding and areas to focus on improving.
- Our first area of focus will be on Student Health and Wellbeing and Engagement in learning.
- We will continue working on engagement for the next few years to make sure we have met this goal.
- Communication with parents, staff and students
- We believe at our school that students at this age need reasons to attend school. These reasons include exciting and engaging learning opportunities, social relationships, athletics, fine arts, and other clubs that help students to fit in and find a place to shine.
- We want to increase the students' sense of belonging and ownership of the school as this positively impacts academic engagement and success.

School Strategies

- Provide staff with allocated time and mentorship opportunities to experiment and explore new strategies and techniques to increase interest and engagement. Ensure teachers have necessary resources that will help them to implement best practice techniques and strategies.
- Provide extra curricular clubs that reach more students' interests and engage them more into our school community.
- See School PD plan for 2024/2025
- Ensure that these opportunities are provided to all students at DA Ferguson.
